#### 2. Necessity of the Buy Back

The Buy Back is being proposed by the Company to return surplus funds to the Eligible Shareholders, which are over and above its ordinary capital requirements and in excess of any current investment plans, in an expedient, efficient and cost effective manner. The Buy Back would increase the shareholder's value and would also help the company in fulfilling the following objectives:

2.1. The Buy Back will help the Company to return surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to the shareholders;

2.2. The Buy Back, which is being implemented through the 'Tender Offer' as prescribed under the SEBI Buy Back Regulations, would involve allocation of 15% of number of Equity Shares which the Company proposes to Buy Back or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, to Small Shareholders. The Company believes that this reservation of 15% for Small Shareholders would benefit a large number of public shareholders, who would get classified as "Small Shareholder";

2.3. The Buy Back may help in improving return on equity due to reduction in the equity base, thereby leading to long term increase in shareholder's value;

2.4. The Buy Back will help in achieving an optimal capital structure.

The Buy Back gives an option to the shareholders holding Equity Shares of the Company, to either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buy Back Offer or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buy Back Offer, without additional investment.

#### 3. Maximum amount required for Buy Back, its percentage of the total paid up Equity Share capital and free reserves and the source of funds from which Buy Back would be financed

3.1. The maximum amount required under the Buy Back will be not exceeding ₹ 3,000 Millions (Rupees Three Thousand Millions only) excluding transaction costs incurred or to be incurred for the Buy Back, being 21.08% and 13.80% of the aggregate of the total paid-up Equity Share capital and Free Reserves of the Company based on the latest Standalone and Consolidated Audited Financial Statements of the Company respectively as at March 31, 2025 (being the date of the latest available Audited Standalone and Consolidated Financial Statements of the Company).

3.2. The Buy Back would be made out of free reserves of the Company. The Company shall transfer from its free reserves or securities premium account and/or such sources as may be permitted by law a sum equal to the nominal value of the Equity Shares bought back through the Buy Back to the Capital Redemption Reserve Account and the details of such transfer shall be disclosed in its subsequent audited balance sheet. The payments shall be made out of the Company's current surplus and/or cash balances and/or current investments and/or cash available from internal resources of the Company and (and not from any borrowed funds) and on such terms and conditions as the Board may decide from time to time at its absolute discretion. The Company confirms that as required under Section 68(2)(d) of the Act, the ratio of the aggregate of secured and unsecured debts owed by the Company, if any, shall be not more than twice the paid-up Equity Share capital and Free Reserves after the Buy Back and that it has got sufficient source to pay-off the consideration towards the Buy Back and would not borrow funds for the said purpose.

#### 12. Prior Approvals from Lenders

12.1. The Company has sanctioned facilities with lenders. As per Regulation 5(i)(c) and Schedule I(xii) of the SEBI Buy Back Regulations, it is confirmed that there is no breach of any covenants as per the lenders agreements/sanction letters on the loans sanctioned/taken and the consent of the lenders on the Buy Back has been obtained by the Company. Further, the Company has obtained such approvals as may be required from the lenders pursuant to the provisions of such facilities.

#### 13. Record Date and Shareholder Entitlement

- As required under the SEBI Buy Back Regulations, the Company has fixed Wednesday, December 17, 2025 as the record date (the "Record Date") for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buy Back. The Equity Shares proposed to be bought back by the Company shall be divided into two categories viz. (a) reserved category for Small Shareholders and (b) the general category for all shareholders other than Small Shareholders.
- As required under the SEBI Buy Back Regulations, the dispatch of the letter of offer shall be through electronic mode in accordance with the provisions of the Act within two (2) working days from the Record Date. If the Company receives a request from any Eligible Shareholder to receive a copy of the letter of offer in physical form, the same shall be provided.
- As defined in the SEBI Buy Back Regulations, a "Small Shareholder" is an Eligible Shareholder who holds Equity Shares having market value, on the basis of closing price of the Equity Shares on the Stock Exchanges, having the highest trading volume in respect of such Equity Shares as on Record Date, of not more than ₹ 2,00,000/- (Rupees Two Lakhs only).
- In accordance with Regulation 6 of the SEBI Buy Back Regulations, 15% of the number of Equity Shares which the Company proposes to Buy Back or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher shall be reserved for the Small Shareholders as part of this Buy Back.
- On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each shareholder, including Small Shareholders, to tender their Equity Shares in the Buy Back. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buy Back applicable in the category to which such shareholder belongs. The final number of shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the Buy Back by shareholders in that category, and thereafter from shareholders who have tendered over and above their entitlement in other category.
- In accordance with Regulation 9(ix) of the SEBI Buy Back Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive higher entitlement under Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy Back. In case of joint shareholding, the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares where sequence of PAN is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buy Back will check the sequence of the names of the joint shareholders and club together the Equity

Shares held in such cases where the sequence of the PANs and the name of the joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN shall not be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have different demat account nomenclature based on information prepared by Registrar to the Buy Back as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or 'corporate body-broker' as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- The participation of the Eligible Shareholders in the Buy Back is voluntary. Eligible Shareholders may opt to participate, in part or in full, and receive cash in lieu of the Equity Shares accepted under the Buy Back, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buy Back, without any additional investment. Eligible Shareholders may tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. If the Buy Back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buy Back.
- The maximum tender under the Buy Back by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholders as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender Equity Shares through that demat account cannot exceed the number of Equity Shares held in that respective demat account.
- The Equity Shares tendered as per the entitlement by the Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the SEBI Buy Back Regulations. Eligible Shareholders will receive a letter of offer along with a tender/offer form indicating the entitlement of the equity shareholder for participating in the Buy Back. Eligible Shareholders who have registered their email ids with the depositories/the Company, shall be dispatched the Letter of Offer through electronic means. If Eligible Shareholders wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or Registrar at the address or email id mentioned in this Public Announcement.

- Detailed instructions for participation in the Buy Back (tender of Equity Shares in the Buy Back) as well as the relevant schedule of activities will also be included in the Letter of Offer to be sent in due course to the Eligible Shareholders as on the Record Date.
- Process and Methodology for Buy Back**
- The Buy Back is open to all Eligible Shareholders/beneficial owners of the Company, holding Equity Shares either in physical and/or dematerialized form as on the Record Date. Any person who does not hold equity shares of our Company on the Record Date will not be eligible to participate in the Buy Back and shares tendered by such person(s) shall be rejected.

- The Buy Back shall be implemented using the "Mechanism for acquisition of shares through Stock Exchange" notified vide SEBI Circulars and following the procedure prescribed in the Act and the SEBI Buy Back Regulations, and as may be determined by the Board (including the Buy Back Committee authorized to complete the formalities of the Buy Back) and on such terms and conditions as may be permitted by law from time to time.
- For implementation of the Buy Back, the Company has appointed **Emkay Global Financial Services Limited** as the registered broker to the Company (the "Company's Broker") to facilitate the process of tendering of Equity Shares through the stock exchange mechanism for the Buy Back and through whom the purchases and settlements on account of the Buy Back would be made by the Company.
